

Ingrouop/Outgroup Reasoning (“-isms”)

Ancestry Composition tells you what percent of your DNA comes from each of 31 populations worldwide. This analysis includes DNA you received from all of your recent ancestors, on both sides of your family. The results reflect where your ancestors lived before the widespread migrations of the past few hundred years.

Bitter conflicts between us people and them people have been occurring since the appearance of our species on earth, and the resultant bloodshed, loss of life and immense emotional pain are increasing in this world of “isms” and advanced weaponry.

How Fear Makes Us Bigots and Raises Our Risk

When we're worried we band together and vilify 'others' as the enemy.

“All non-Africans alive today likely descend from people within a single migration out of Africa...”
